THE EXCURSION2INDIA ADVANTAGE

What your team can rely on.

A promotional graphic for Bhutan. At the top, it says "DESTINATION Bhutan" in a mix of blue and orange fonts. Below this are five circular icons: a group of people, a mountain range, a traditional building, a water buffalo, and a Buddha statue. Under each icon is a label: "HAPPINESS", "HIMALAYAS", "HERITAGE", "NATURE", and "SPIRITUALITY". In the center, it reads "Bhutan – Small in Size, Extraordinary in Experience". At the bottom is the "excursion2india" logo.

Thoughtful planning, strong supplier relationships and attentive execution

- Destination specialists with practical local knowledge
- Single point of contact and responsive B2B communication
- Transparent, tailored planning—not off-the-shelf packages
- Strong supplier network across India, Nepal and Bhutan
- Reliable ground handling and guest-care focus
- Scalable support—from one private journey to complex group movements
